

Kyocera Scan to Email (Quick User Guide)

Author: Lisa-Anne Whitehouse
Date: 11/09/2020
Version: V.1

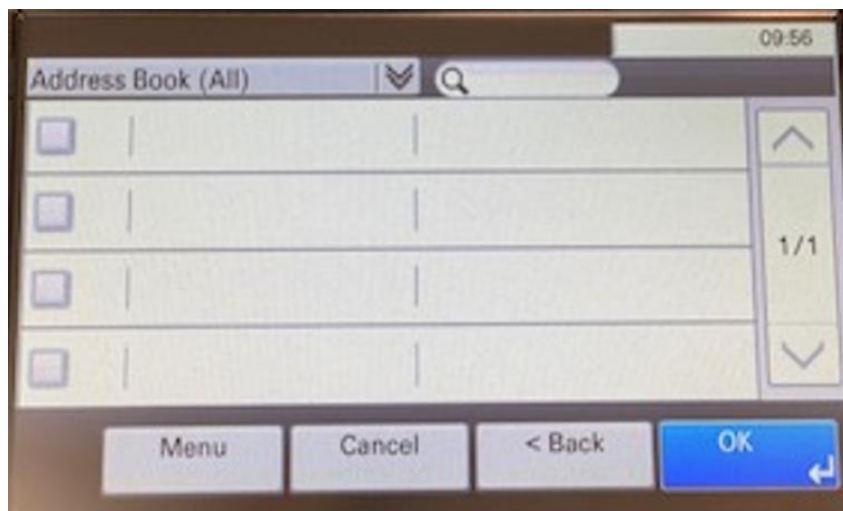

Scan to Email

Select SEND on the front screen.

Select ADDRESS BOOK and select your name if shown and OK

(if your email address is not listed please see additional guide on how to add your email address to the address book)

You can make changes to any settings by selecting the Menu tab along the bottom.

In here you will find,

- Colour settings
- Double Sided Options
- File Type
- Colour Setting
- Plus many more.

When you have applied your preferred settings select CLOSE and Start to send your scan.
