

## **Travel** How to redeem Share

of the Profits vouchers

\* \* \*

Members will be receiving their Share of the Profits vouchers in several different ways. Some members will be receiving e-vouchers through the Your Coop members app. If this is the case, go to step 2.

\* \*\*\*

Other members will receive voucher codes, either by email or letter, which can be used in Childcare. If this is the case, go straight to step 4.

Finally, a limited number of members may receive paper vouchers. These can be used in Travel, but you must take this from the member and destroy it, so that it cannot be used elsewhere. If this is the case, go straight to step 4.

Once members have downloaded the app, they can view and use their Share of the Profit e-vouchers through the 'Your Co-op' section under 'Your Vouchers':

To access their barcodes, members will need to click 'View'

Depending on how the member has presented their evoucher, you will then need to make a note of either the barcodenumbers or alpha barcodes (you do not need both) and the member's membership number.
