

Keeping Safe in The Store

Have a look around our store bakery.

- Can you name the main ingredients in bread?

- What makes our bakery safe? – Can you name three things?

1. _____

2. _____

3. _____

Fire Safety is really important to us as we need to make sure we keep people safe. Have a look round the store to see some of the things we use to help us.

- What colour are the fire extinguishers in the store? _____
- How many can you see? _____

Some of the fire extinguishers are different sizes,

- Can you find out why they are different?

On the wall next to some of the fire extinguishers there is a symbol to show people where they are.

- Can you draw it here?

Keeping Safe in The Store

If there is a fire the fire alarm will sound.

- Where are the fire sounders in the store? _____

- What colour are they? _____

If there is a fire everyone needs to leave quickly and calmly through the nearest fire exit.

- There is a sign to show people where these are, can you draw it?

There are lots of other things we have to look out for in the store to make sure everyone stays safe.

If something gets spilt on the floor we put up a special sign to warn people so they don't slip.

- Can you find one of these signs?
- What does it look like?
