

## **Keeping Safe in The Store**

What makes our bakery safe? - Can you name three things?  1	Can you	name the main ingredients in bread?
2	 What mal	kes our bakery safe? - Can you name three things?
Fire Safety is really important to us as we need to make sure we keep people safe. Have a look round the store to see some of the things we use to help us.  What colour are the fire extinguishers in the store?  How many can you see?  Some of the fire extinguishers are different sizes,	1

## **Keeping Safe in The Store**

If there is a fire, the fire alarm will sound.
Where are the fire sounders in the store?
What colour are they?
If there is a fire everyone needs to leave quickly and calmly through the nearest fire exit. There is a sign to show people where these are, can you draw it?

There are lots of other things we have to look out for in the store to make sure everyone stays safe. If something gets spilt on the floor we put up a special sign to warn people so they don't slip.

Can you find one of these signs? \_\_\_\_\_

What does it look like?
