Current Fundraising Partner – Chipping Norton area specific – supported for fundraising by stores: 5627,70,173,174,4073	<p>Lawrence Home Nursing Team provide people with end-of-life nursing care in their own home in the Chipping Norton and surrounding areas.</p> <p>Patients can access specialist advice, nursing care and regular emotional support in their own homes. The support provided means families caring for loved ones have someone they can turn to for reassurance and respite when needed. Guided by a patient's needs and wishes, the nurses work closely with GPs and community nurses to help manage symptoms and give each person the care that's right for them. The team offers care whenever it's needed, whether that's for a few hours in the day or through the night.</p>

Legacy Partner	Thrive Northox Provides practical support to children of struggling families in North Oxfordshire who, for whatever reason, have a genuine, urgent need.
