YOUR COMMUNITY PARTNERS

Current Fundraising Partner	<p>Stroud Valleys Project was originally founded to help protect the industrial heritage of Stroud and its five valleys, the group work with local community groups and volunteers: helping, inspiring and training them to discover and nurture the wildlife and green spaces on their doorsteps.</p> <p>They offer a wide range of projects which aim to deliver three key goals: engage with communities about a range of environmental issues, provide learning resources and protect local biodiversity. Stroud Valleys Project has long been known for working with local communities at local wildlife sites and on environmental projects</p>
