Competition Submission

There are over 7,000 Co-op Societies in the UK across sectors from IT to Agriculture and housing to bike repairs. We work closely with several of them already.

Please identify a UK Co-op that our Society could start working with and explain how (in 200 words or less) by partnering with them, we'll be able to build a fairer, more sustainable and ethical future.

Please use the following template to answer the above question;

Name of UK Co-op being proposed that our Society could start to work with:

Web link for this UK Co-op if available (optional):

Explanation in 200 words or less of how by partnering with them, we'll be able to build a fairer, more sustainable and ethical future:
