POST OFFICE ®

coop midcounties

WHAT WE CURRENTLY HAVE ….

- Green forms
- Consistent across the whole Society
- Everyone knows what they are
- Current system not fit for purpose
- Manual process for inputting green forms
- Green Forms not always submitted
- Not live information
- Risks of data breach – GDPR
- Potential non-compliance to RIDDOR

WHAT C365 OFFERS...

- Web Portal
- Live reporting
- Auto-notification to relevant Personnel
- More timely response from H&S Team
- RIDDOR timelines met
- Form/options differing via trading group
- Dashboard analytics

THE ACCIDENT REPORTING FORM

https://midcounties.c365online.co.uk/

WHERE ARE WE NOW…

- Created Trading Group specific accident form
- In the middle of pilots – finish on **12th April**
- Working with CIT for single sign on
- Developing communication and training plan for the rollout
- Aiming to go live with system in **May**
