

Our Co-operative Leaders Framework

Champion Co-operative Values

I will...

Understand the power of co-operation

Promote sustainability and make a difference in the community

Work collaboratively and form trusted partnerships

Put our members first

Advocate for the Society and the co-operative movement

Energise our People

I will...

Create a culture of belonging, energy and pride

Support people to succeed

Be authentic and act with integrity

Recognise success

Inspire, nurture and empower people

Achieve Great Results

I will...

Anticipate and respond effectively to market conditions

Focus on delivering commercial goals

Leverage data and insights

Take accountability

Effectively lead change

Through the power of co-operation, we're building a fairer more sustainable, and ethical future.
