

Safe Use of Cleaning Products

Work safely & avoid injuries by following the points below for every task

Warnings are identified on some products by the following symbols:

- Only use chemicals that are approved and authorized for the specific task.
- Determine if any Personal Protective Equipment is required to be worn.
- Follow manufacturer’s Instructions.
- **NEVER** mix cleaning chemicals.
- Ensure the area is wiped dry with no chemical residue remaining.
- Always keep chemicals in their original packaging.
- Store chemicals in a suitable, locked place.
- Dispose of chemicals in the manner specified by the manufacturer.
- Do not pour undiluted chemicals down sinks or drains.

COSHH sheets are located on Colleague Connect, Health and Safety Page
