Better conditions

Usdaw works to get Union members better holiday entitlement, good pension provision and improved arrangements for time off work. Negotiations aren't just about pay as we aim to improve the other things that matter at work such as holidays, pensions, shifts, etc.

Your voice

With over 10,000 workplace reps, Usdaw gives you a strong voice at work. Without a union you are less likely to have a say in your terms and conditions and how your employer operates.

Opt in to the Political Fund

Ushaw's Political Fund supports the Union's campaigns and helps to fund the lobbying of politicians on issues that matter to Ushaw members. Opt in to the Political Fund on the membership form to support our campaign work that gives our members a voice.

Fairness at work

Union workplaces are fairer workplaces and are much more likely to have family-friendly policies. By negotiating with employers, unions are able to secure better deals for members on issues such as career opportunities, flexible working arrangements and general support for family responsibilities. In short, unions help you achieve a work-life balance without being penalised for it.

More job security

Ushaw works to protect jobs and deliver job security for members. Without a union you are on your own if faced with change at work or redundancy.

Protection at work

By ensuring that Union members have strong and effective representation, Ushaw is able to protect people at work and help resolve issues before they become major problems. Ushaw ensures that members are aware of their rights in the workplace.
